Q15 What suggestions do you have to improve the working of the Board?

Answered: 7 Skipped: 0

#	RESPONSES	DATE
1	None	1/30/2020 9:03 PM
2	Our board works well together. That has been our strength for a long time.	1/29/2020 4:18 PM
3	We need to strive to learn as much as possible, what is being sent on board agendas, and willing to express our opinion even if creates conversation.	1/29/2020 10:34 AM
4	Making sure everyone is heard.	1/28/2020 5:51 PM
5	None	1/27/2020 8:31 AM
6	The board understands its role. Therefore, board "improvement" issues are dealt with as the same arise. As an example, in the past 12 months, we have witnessed the most significant financial impediment to this district since the Great Recession. The factors involved initially caused friction. But as a team, we picked ourselves up off the ground, took stock of the factors that caused the friction, and have successfully created a new path. We all learned from the experience and the necessary improvement as board members and management was addressed. Improvement issues down the road will no doubt be addressed in the same manner.	1/26/2020 4:04 PM
7	Continue to be accessible and work together as a whole.	1/22/2020 7:55 PM

Q16 What do you think the top priority for the Board/District should be for the next year?

Answered: 7 Skipped: 0

#	RESPONSES	DATE
1	Acquiring the dollars due to WHC from the state of California.	1/30/2020 9:03 PM
2	Budget and spending oversight.	1/29/2020 4:18 PM
3	As a board we need to make sure North District stays on track with no delays, we also need to the same for other projects around the district.	1/29/2020 10:34 AM
4	Fiscal responsibility and getting the state to pay WHC the appropriate apportionment.	1/28/2020 5:51 PM
5	No comment	1/27/2020 8:31 AM
6	I'm not sure if "next year" is 2020 or the 2020-2021 school year. Nonetheless, the answer is fiscal independence through bonds, grants and reliance upon our talented upper management. Stated otherwise, we don't rely on the state to direct our continued success.	1/26/2020 4:04 PM
7	Student access, student success, efficient student pathways to graduation and certificates and all with a decreasing budget. Continue to support and recognize our staff that has made extremes efforts to make this all happen.	1/22/2020 7:55 PM

Q17 What can the Board do to improve communications to the community regarding difficult decisions?

Answered: 7 Skipped: 0

#	RESPONSES	DATE
1	All difficult communication should be addressed first by chancellor with the assistance of the board.	1/30/2020 9:03 PM
2	The board is open and available to communities concerning board actions.	1/29/2020 4:18 PM
3	Communication and inform, and reasons why it happened and what we are doing to fix the situation.	1/29/2020 10:34 AM
4	Communicate issues to the public.	1/28/2020 5:51 PM
5	No comment	1/27/2020 8:31 AM
6	Not real fond of this question. The board communicates through one person: Stu Van Horn. I am not aware of a current community communication failure re "difficult decisions."	1/26/2020 4:04 PM
7	Open communication and transparency. No surprises. Do we have any "advisory" groups in each community that the Chancellor could meet with quarterly to provide updates on important issues going on in the communities we serve? Just a thought. Not everyone utilizes social media or reads mail, but word of mouth can spread like wildfire. A cheat/reference sheet of info for board members to refer to in order to better explain and also be consistent with what we discuss with the public if we need to.	1/22/2020 7:55 PM
